

ELECT MARK KLANG TO THE ROCKLIN CITY COUNCIL

Dear Rocklin Taxpayers:

From 2000 – 2004, I served as your Trustee on the Rocklin School Board. I was known as the board member who stood up for the rights of all parents. Today, you have a city council that is squandering your tax dollars and does not believe that it must answer to the taxpayers.

I need your help to make sure that our tax dollars are used wisely.

Join my campaign and I will once again be your advocate. Help me win a seat on the Rocklin City Council.
